LUXURIOUS LINENS MADE IN ITALY

# **Luxurious Linens Made in Italy**

## **Decades of passion and quality**

The heart of Lintea Mare is in the 400 sqm showroom where the multilingual staff, fluent in English, French and Russian welcomes clients. The Company was founded in 1986 as manufacturer of high quality products. Thanks to the success achieved with yachts and to working with Interior Designers worldwide, Lintea Mare has been able to grow considerably, expanding its market towards luxury residential projects, boutique hotels and private jets.

## **We create uniqueness**

Our priority is to create unique items through a vast variety of fabrics and designs.

We work closely with Interior Designers and directly with clients to whom we can provide valid support in the creation and selection of the linens.

Our in-house design service is for clients requiring a high level of customization for their homes, luxury hotels, yachts and private aircrafts. This service offers tailor made solutions.

We can create proposals and provide sample boards to illustrate various choices, useful to visualize the personalized linens that will coordinate with the interiors.

## **Made in Italy as an added value**

Linnea Mare linens are of the highest quality and the greatest care is taken to ensure beautiful detail and craftsmanship. In our 1500 sqm factory in Tuscany our linens are hand-made by our highly skilled staff and are subject to quality control that guarantees excellence on every item.

## **Linnea Mare “makes” the difference**

A never ending commitment to satisfy client's needs. High quality, crafted precision, careful selection of the finest materials and most of all top assistance to our clients: these are Linnea Mare's keywords that have helped make the linens well known and loved all over the world. We aim is to give our clients selection, quality and service, traveling abroad when needed. Linnea Mare embraces the highest standards of creativity and quality and we strive to create a brand which is internationally competitive and sophisticated.
